General Information

The 17th International Conference on Information Systems Development (ISD2008) is hosted by the University of Cyprus. The conference venue is the Annabelle hotel in Paphos, Cyprus. The conference theme is "Towards a Service-Provision Society". The conference features a number of tracks covering a wide spectrum of topics in the area of Information Systems Development.

The language of the conference will be English and we invite academic research papers as well as industry project reports and surveys. The proceedings will be published by Springer Science and Business Media as a book, after the conference.

Tracks

- Legal and Administrative Aspects of Information Systems Development
- Information Systems Research Methodologies
- Service-Oriented Analysis and Design of Information Systems
- IT Service Management
- Philosophical and Theoretical Issues in Information Systems Development
- Model-driven Engineering in Information Systems Development
- Human Computer Interaction (HCI) in Information Systems Development
- Information Systems Engineering & Management
- Business Systems Analysis and Design
- Intelligent Information Systems
- Agile and High-Speed Systems Development Methods
- Enterprise Systems Development and Adoption
- Public Information Systems Development
- Information Systems Development Education
- Information Systems Development in Developing Nations

Important dates

- Paper submission: **April 15, 2008**
- Camera-ready due: **July 15, 2008**
- Notifications: **June 15, 2008**
- Conference dates: **August 25-27, 2008**

Track Chairs

- Adam Adamopoulos, Demokritos University of Thrace, Greece
- Andreas Andreou, University of Cyprus, Cyprus
- Yannis Charalambidis, National Technical University of Athens, Greece
- Maria Jose Escalona, University of Sevilla, Spain
- Efstratios Georgopoulos, TEI of Kalamata, Greece
- Andrina Granic, University of Split, Croatia
- Remigijus Gustas, Karlstad University, Sweden
- Geir Hanssen, SINTEF, Norway
- Costas Kalaboukas, Singular-Logic, Greece
- Karlheinz Kautz, Copenhagen Business School, Denmark
- Rónán Kennedy, National University of Ireland, Galway, Ireland
- Angelika I. Kokkinaki, University of Nicosia, Cyprus
- Michael Lang, National University of Ireland, Galway, Ireland
- Spyridon Likothanassis, University of Patras, Greece
- Stefanos Mavromoustakos, European University, Cyprus
- Björn Niehaves, University of Münster, Germany
- Malgorzata Pankowska, University of Economics in Katowice, Poland
- George A. Papadopoulos, University of Cyprus, Cyprus
- Outi Salo, VTT Technical Research Centre of Finland, Finland
- William Song, University of Durham, UK
- Vjeran Strahonja, University of Zagreb, Croatia
- John Traxler, University of Wolverhampton, UK
- Aimilia Tzanavari, University of Cyprus, Cyprus

Program Chair

George A. Papadopoulos, University of Cyprus

Program Committee

Please refer to the website: <http://isd2008.cs.ucy.ac.cy>

International Advisory Committee

Gregory Wojtkowski, Boise State University, USA
Wita Wojtkowski, Boise State University, USA
Stanislaw Wrycza, University of Gdansk, Poland
Joze Zupancic, University of Maribor, Slovenia

Organized by the Software Engineering & Internet Technologies Lab

Department of Computer Science, University of Cyprus
